

## **RESOLUTION – January 14, 2021**

### **BE IT RESOLVED BY THE COOK COUNTY DEMOCRATIC PARTY THAT:**

We, the 80 elected Democratic Committeepople of the Cook County Democratic Party, representing the Democratic voters of Chicago's 50 wards and suburban Cook County's 30 townships do hereby condemn the white supremacist insurrection that occurred at the US Capitol on January 6, 2021, at the encouragement of President Trump and with the tacit support of Republican members of Congress.

We condemn all of the participants and supporters who encouraged this attempt as well as those who have since failed to denounce it, including the 147 Republican members of Congress who voted against certification of the election results declaring President-Elect Biden the winner of the election. This includes the two Republican congresspeople from Illinois who voted against certification.

We support the impeachment process in the House, and encourage the Senate to convict the President and declare that he is ineligible to run for federal office ever again.

We also call for the immediate expulsion of Mary Miller from Congress. Quoting Hitler on the Capitol steps is an insult to Democracy, and she has no business representing Illinois.

We also condemn and call on Fraternal Order of Police Lodge 7 President John Catanzara to resign for the remarks he made in defense of the January 6 Capitol insurrection and its participants.
